

Ice Paints

What You Need:

- Ice cube tray
- Water
- Food colouring
- Popsicle sticks

Instructions

1. Fill an ice cube tray with water. Don't over fill
2. Add a small drop of food colouring to each cube
3. Cut a popsicle stick in half. Use the flat edge side to mix the water and food colouring. Leave the popsicle stick inside
4. Freeze overnight

When painting – use water colour paper for best results.
