

Troll hair

What You Need:

- Black paper or card
- White paper
- A paper plate
- Crayons or chalks
- Paint
- Googly eyes
- Glue
- Sellotape

Instructions

1. Cut your paper plate in half then cut out a nose and ears out of the white paper.
2. Make a skin tone paint by mixing your paints if needed and paint your plate, ears and nose and leave to dry.
3. Whilst your paint is drying you can use your crayons or chalks to draw lots of lines long ways up and down your black paper or card.
4. Once your paint is dry you can stick your googly eyes, nose and ears onto your paper plate to make your trolls face using the glue.
5. Turn your troll face over and stick the black paper or card that you have drawn your lines on onto the back it using sellotape.
6. When you turn it over your troll will have colourful hair.
