

Dragonfly

What You Need:

- Lolly pop sticks
- Pompom's
- Foam or card
- Googly eyes
- Glue

Instructions:

1. Take your card or foam and draw then cut out some wings for your dragonfly.
2. Stick your wings onto your lollypop stick using glue.
3. Using the glue again you can stick the pompom's along the top of the lollypop stick starting with a bigger pompon for the head and then stick the googly eyes on.
