

Monster Box

What You Need

- Old box
- White card
- Black marker
- Glue
- Paint
- Pom-poms

Instructions

1. Paint the old box in any colour you wish
2. Cut out some circles and triangles from the card. The circles will be the eyes and the triangles its teeth.
3. Draw a smaller circle on the circles and colour in with the black marker, this will be the monster's pupil.
4. Once the box is dry you can stick the eyes on and the teeth on the inside of the mouth.
5. The finish it off stick some pom-poms on the top for the monster's hair.
